Clerk@villageofpoplargrove.com

Event Recap

This year's Neighbor's Fest was a HUGE success. Community attendance was at an all time high and the fireworks display was a special tribute to celebrate America's 250th!

Thank you to our Sponsors - Next Phase Builders, Solutions Bank, Xfinity & Marengo Disposal.

History

Let's talk hot...

The hottest single day on record for Poplar Grove was July 14th, 1936 at 114 degrees!

A prolonged, devastating regional drought left the soil dry and stripped away most vegetation. This lack of moisture essentially removed the earth's natural "evaporative cooling system," allowing solar radiation to bake the land directly and create a massive heat dome.
